# People Helping People

## A message from President Donna Young

Being a strong participant in the local communities in which we serve will always be the most important priority we undertake as an organization. Helping the people who live among us and the many organizations who strive to serve their fellow neighbors makes our community stronger. Entering 2021 we decided to put more effort into our community initiatives, beginning with two successful campaigns this past spring.

As a collective, our staff voted to support some larger well-known charities as well as many of the local agencies in our branch areas that do good things every day. The charities chosen were the Nashville Humane Society and the Children's Miracle Network for Vanderbilt Children's Hospital. Just this past month Cornerstone and our staff contributed over \$1000 worth of items, gift cards, and cash to support those who

take care of our furry friends at the Humane Society, and we're already looking ahead to help out our friends at the Hospital.

### Cornerstone in our Local Communities

For the past year and a half, we heard from many of our non-profit friends that they were still tirelessly working towards their mission, but unable to host their typical fundraisers. Recognizing and wanting to support those efforts, we launched a branch-wide initiative called "30 Deeds in 30 Days." Our branch teams put their heads together and collectively came up with an assortment of local organizations that needed a helping hand. These groups were varied in their goals but united in their direction, to bring the community together.

For a complete description of the organizations who benefited from this initiative, visit us on Facebook at <https://www.facebook.com/BankWithCornerstone>.

The foundation of Cornerstone is built on the credit union philosophy of "people helping people" and we are extremely proud of our staff for their efforts to support their local communities. The joy of giving is contagious and we hope that it catches on in your local community. We encourage our members to look for ways to support our chosen charities and any other organizations that work for the common good of our communities. Together we are strong!

## 11th Annual Scholarship

We are proud to announce that the 11th Annual Cornerstone Financial Credit Union Scholarship Program completed another successful year. We awarded \$25,000 in scholarships to rising seniors in Middle Tennessee including Jordan Martin, our \$5,000 winner!

*I have just graduated from Central Magnet School and will be attending Middle Tennessee State University in the fall to study Horse Science while also competing on the university's Intercollegiate Horse Show Association (IHSA) and American Stock Horse*

President Donna Young presents a \$5,000 scholarship check to winner Jordan Martin.

*Association (ASHA) teams. I am very grateful for this scholarship as it will allow me to comfortably pursue my academic and athletic careers*

*throughout college. Finishing college debt-free was a big goal of mine in order to set me up for success after I graduate and go into a career, and this scholarship has certainly allowed that to happen.*

Jordan's story is one that epitomizes the founding vision of the Cornerstone Financial Credit Union Scholarship, which is to assist those students who display outstanding character and perseverance in achieving their goals. Congratulations to Jordan and all the winners of the scholarships for 2021!
